Outstanding Agency Award 2002

July 10, 2003

Ms. Meg Marshall
National Capital Optimist Club
538 Palmtree Drive
Gaithersburg, MD 20878

Dear Meg:

On behalf of the National Center for Children and Families' (NCCF) Greentree Adolescent Program (GAP), thank you and the National Capital Optimist Club for your generous donation of \$1,000.00 to support the 2003 Teen Adventure.

Teen Adventure is an annual summer activity sponsored by caring members of the community like you. Twenty of our most vulnerable adolescents will spend a week in an exciting, never-visited place. It is a chance to re-energize and engage in youthful activities that are socially and culturally stimulating. In addition, it is an opportunity that our disadvantaged youth may have never received under the care of their families.

In past years, our youth have traveled to Disney World Florida and Kings Dominion in Richmond, Virginia. This year's Teen Adventure is planned for Atlanta, Georgia. They will visit several museums, historic sites and tourist attractions such as The Martin Luther King, Jr. Center for NonViolent Social Change, The Underground and The World Coca-Cola. And of course, the summer would not be complete without a ride on the scariest roller coasters at Six Flags Over Georgia.

Again, thank you for your help in providing a wonderful summer for underprivileged adolescents in your community. Your continued generosity is vital to our programs and makes a positive impact in the lives of our children and families.

Sincerely,

Sheryl Brissett-Chapman, Ed.D., ACSW
Executive Director
